HILLSIDE MIDDLE SCHOOL

Educational Project

PROJECT DESCRIPTION:

- ◆ Project included the demolition of the existing school and construction of the new school on the same site. The project was designed and constructed to allow the majority of the existing school to remain operational while the new school was constructed on the same site.
- ◆ McNeil Engineering provided civil engineering design services for this project including site layout, grading and drainage, utility design and modifications to existing street frontage along Nevada Street.
- ◆ LEED Certified
